The Contractual Partner hereby offers secupay AG the use of its payment services under the conditions specified in this Agreement and waives receipt of the declaration of acceptance in accordance with Section 151 BGB. The "General Terms and Conditions", the "Special Conditions for Card Acceptance", the "Special Conditions Factoring" and the List of Prices and Services of secupay AG, available at [www.secupay.com/agn](http://www.secupay.com/agn), shall apply to the business relationship thus established. During the execution of the contract, the Contractual Partner waives the provision of information, broken down individually by card type and brand, on the amount of the interchange, card scheme and acquirer service fees included in the discount and instructs secupay to settle these fees in a bundled discount.
