If you are already a customer with us, we already have a justified interest to have a publicity-related communication sent to you for our own similar products provided that you have not denied the use of your data. If you conclude a contract with us directly as a natural person, we shall collect and record all personal data that is necessary for establishing, performing or terminating the contract. We process this data in order to ensure your identity, to verify the usability of the respective rights, to implement your rights and to communicate with you.

You are under no statutory or contractual obligation to provide your data. However, without providing certain information, which enable your identification or the implementation of your rights, processing of your enquiry is either not possible at all or possible only with restrictions.
